**GROWTH MIND SET:
Words that bloom**

Grades K-2, 3-5: The words you use can help you meet a challenge or create a defeat. This presentation teaches children how they can control their own outcomes.

**STEAM LITERACY:
How to be a Media Detective**

Grades K-2, 3-5: Circle has to find a dress for the Geometry Ball but can't fit into the same dresses as Triangle, Rectangle and other shapes. The book meets several Common Core Math and English Language Arts goals. Also, this book will help build a positive body image! Children are bombarded with media messages more than ever. This presentation teaches kids how to be media detectives and recognize the hidden messages in the media and how to think for themselves.

**LITERACY WORKSHOPS:
Stories that Bloom**

Grades K-1, 2-3: This presentation teaches children how to think like a writer. It teaches children how to take an idea and transform it into a story.

Grades 4-5: This presentation discusses story structure beyond the beginning, middle, and end. It teaches common picture book structures how students can use these formats to create their own stories.

SHMULIK PAINTS THE TOWN

Jewish Organizations: Lisa is the first Pj Library author in Metro Detroit. Her book could be included into many programs about Israel and Israeli Independence Day.

Art: Since the story is about creating a mural, the book can help launch multiple art projects.

Dogs: Since the story is about a painting dog, the book can complement any canine event.
